

1001 Nights Capital Campaign

for ArtSpace Falls Church

IMAGINE....

A thousand and one nights lit up with theater...music...dance and art.

Thought-provoking exhibits and lectures.

Days filled with learning and enjoyment for every age.

Summer camps and after-school adventures in the arts for our children.

Workshops taught by gifted professionals who know how to nurture the artist that lives within each of us.

And all of this in a CONVENIENT and AFFORDABLE venue in the City of Falls Church

ArtSpace Falls Church

Located 410 South Maple Street, Falls Church, this inviting new arts venue will feature a permanent gallery and an intimate, 95-seat performance space.

It will provide a dedicated artistic home for **Falls Church Arts** and our artistic partner, **Creative Cauldron**.

1001 Nights Capital Campaign

\$200,000 has already been dedicated to the renovation of the space through funds granted from the City of Falls Church and Transwestern, Inc.

Creative Cauldron and **Falls Church Arts** must raise \$100,100 in additional funds for furnishings, decor, seating, lighting and theatrical equipment.

Each "night" in our "1001 Nights Capital Campaign" can be sponsored with a \$100 gift—a contribution that is tax-deductible in full. And each night that you sponsor will be acknowledged publicly during an actual night—a performance or event at ArtSpace Falls Church.

So many memorable nights (and days) are ahead... if we can just IMAGINE!
